COMMUNICATION TO EXAMINER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to our telephone conversation June 7, 2005, enclosed is a copy (faxed to USPTO on May 6, 2004) of the copy of the amendment which we filed on September 12, 2003 and a copy of the postcard stamped by the USPTO showing receipt of the amendment on September 12, 2003, including a copy of the SEND SUCCESSFUL fax confirmation report which was generated on May 6, 2004. The 2 day delay in responding to this was caused by our having to have the copy of the successful fax sent record brought up from central storage. We apologize for the delay.

In accordance with the foregoing, it is respectfully submitted that all outstanding objections and rejections have been overcome and/or rendered moot, and further, that all pending claims patentably distinguish over the prior art. Thus, there being no further outstanding objections or rejections, the application is submitted as being in condition for allowance, which action is earnestly solicited.

If the Examiner has any remaining issues to be addressed, it is believed that prosecution can be expedited by the Examiner contacting the undersigned attorney for a telephone interview to discuss resolution of such issues

If there are any underpayments or overpayments of fees associated with the filing of this Amendment, please charge and/or credit the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
